

Florida Department of Transportation Open House

Your10and95 Operational Improvements | FIN #433036-1

Open House

Thursday, June 1, 2017

4:30 - 6:30 p.m.

FDOT Jacksonville Urban Office
Training Center Building
2198 Edison Avenue
Jacksonville, FL 32204

Learn about Your10and95 Operational Improvements to Interstate 95 and Interstate 10, the Fuller Warren Bridge, and to U.S.17 northbound between McDuff Avenue and Roselle Street.

Upgrades include expanding the current Fuller Warren Bridge adding an additional northbound and southbound lane and creating a new Shared Use Path (SUP), parallel to traffic lanes, for pedestrians and bicyclists connecting San Marco and Riverside communities. The project also includes building sound barriers for residents along the east side of U.S.17 northbound between McDuff Avenue and Roselle Street and along the south side of Interstate 10 eastbound between Stockton and College Streets.

Florida Department of Transportation (FDOT) project personnel will be available to provide information and answer questions about the project. The open house will be an informal event with project details laid out. No formal presentations will be made. For more information about the project, please visit www.Your10and95.com.

Public participation is solicited without regard to race, color, religion, sex, age, national origin, disability or family status as FDOT complies with Title VI of the Civil Rights Act of 1964.

Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Odette Struys at: 904-438-7800 or Info@Your10and95.com prior to the meeting.

Si prefiere recibir esta carta en español, por favor contacte Esther Murray a las: (904) 360-5348. Referencia: FIN #433036-1.
